

Beautiful European Orchids: 13 Different Species of European Orchid in Colorful Macro Shots, Photographed in Northern Hessen. (Calvendo Nature)

In the middle of Germany, in Northern Hessen, you can find many species of orchid. In this calendar you can find 13 of them, shown in beautiful macro shots. Most of them are on the Red List of Threatened Species, all of them are protected. Particularly the lady-slipper orchid *Cypripedium calceolus* is extremely rare. Also included are two very rare albinotic flowers. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
