

Madame de Pompadour (Vintage Classics)

When Jeanne-Antoinette was nine, she was told by a fortune teller that she would one day become the mistress of the handsome young Louis XV - from that day she was groomed to become a morsel fit for a King. Nancy Mitford lovingly tells the story of how the little girl rose, against a backdrop of savage social-climbing, intrigue, excess and high drama, to become the most powerful women of the eighteenth century French court, Le Pompadour.
