

2017 Call Me Cat Lady Wall Calendar

The term cat lady no longer has a negative connotation: Think Taylor Swift, the poster child for this generations unapologetic cat-lady. This calendar depicts the relationship between an independent, snarky, spoiled cat and its millennial+ owner (but really ... who wears the pants in this relationship?). The human portrayed is not afraid to poke fun at the lack of boundaries between her and her feline significant other.

The term cat lady no longer has a negative connotation: Think Taylor Swift, the poster child for this generations unapologetic cat-lady.
