

# The Epic of Gilgamesh (Penguin Classics)

Andrew Georges masterly new translation (The Times) of the worlds first truly great work of literature Miraculously preserved on clay tablets dating back as much as four thousand years, the poem of Gilgamesh, king of Uruk, is the worlds oldest epic, predating Homer by many centuries. The story tells of Gilgameshs adventures with the wild man Enkidu, and of his arduous journey to the ends of the earth in quest of the Babylonian Noah and the secret of immortality. Alongside its themes of family, friendship and the duties of kings, the Epic of Gilgameshis, above all, about mankinds eternal struggle with the fear of death. The Babylonian version has been known for over a century, but linguists are still deciphering new fragments in Akkadian and Sumerian. Andrew Georges gripping translation brilliantly combines these into a fluent narrative and will long rank as the definitive English Gilgamesh.
