

## Rough Road to Freedom: A Memoir

Today known as the author of the mega-seller *The Bondage Breaker* and the founder of Freedom in Christ ministries, Neil Anderson didn't always know that he was called to serve the Lord as a Christian minister. Though he is sure of his calling now, he readily admits that he has never sought a position in ministry and though he has founded and led a successful international parachurch organization, he refuses to spend a minute of his time to keep it in business. The son and grandson of Norwegian farmers, Anderson grew up in rural Minnesota. He was a fun-loving, sports-crazy child, and no one suspected that God had planted a seed in him that would lead first to years as a pastor, then to teach in seminary, write or coauthor sixty books, and found a global ministry. Here he honestly shares his journey, complete with struggles and trials as he learns to be guided by the Holy Spirit. Though he still asks God, *Why me?* he continues to set people on the path to true freedom in Christ.
