

A Beary Sweet Holiday (Bears of Blackrock Book 3)

The kitchen isn't the only thing heating up this winter. Tiffany Black, culinary artist and owner of Beary Sweets Cafe, is determined to make this year's Winter Solstice celebration one to remember. Especially since it will also be the mating ceremony for her brother, Anthony, and soon-to-be sister-in-law, Connie. She wants everything to be perfect. Unfortunately, you can't always get what you want. When she falls off a ladder in her cafe and breaks her ankle, she fears her plans are doomed. Until the sexy bear Healer, Holt, comes to the rescue, stirring up more than just recipes.

Mating has never been at the top of Holt's to-do list, and he's known Tiffany all her life. So when the mating urge slams into him after mending her ankle, he's taken aback, unsure and intrigued at the same time. The girl he watched grow up is now a curvy, sensual woman, and his bear wants to claim her. He wants to claim her. The stubborn female refuses to follow Healer's orders and allow her ankle to heal, and she's hell-bent on catering the winter celebrations. In order to do what needs to be done, she insists that he help her. Since it gives him an excuse to stay by her side, he's all right with that. As they work side by side to make the Solstice unforgettable, their passions ignite, and things turn utterly delicious. The stubborn female won't rest to let her ankle heal on its own. When she insists he help her with the catering for the winter celebrations, he has his excuse to stay at her side as much as possible. The kitchen isn't the only thing heating up this winter.
