

Welcome to Your Emotions: A Quick Guide to Understanding Your Emotions

Emotions serve to teach us useful information about the world. Emotions add richness and flavor to our lives, and help to sort out our jumbled up thoughts. Oftentimes we take our emotions for granted and don't hear the wisdom the emotions are trying to teach us. We find ourselves constantly chasing after the emotions we like, and avoiding those we dislike. Some understand and manage their emotions with ease. Others struggle with their emotions. I have worked in the mental health field as a psychiatrist and addictionologist for over 15 years. I find that in order to achieve mental wellness, expanding one's emotional intelligence is critically important. Welcome to Your Emotions summarizes knowledge and techniques I use in therapeutic work with clients. My hope is Welcome to Your Emotions will help to simplify the oftentimes confusing emotions we all experience.
