

Alba Reborn, Book Two: Healing of the Heart

Alba Reborn, Book Two, continues the story of Soillse and Firinn, in first century Scotland. Firinn is banished, taken into slavery, and travels to Africa. Soillse lives alone in the forest with their baby daughter. Persisting through the difficult lessons of the last stages of the druid ascension path, both finally achieve mystical union with God/Goddess, which creates the fairy tale ending of this book, the same one created from on high for everyone on earth. Use Soillse and Firinns same self-healing method, follow your own path, and experience this enchantment for yourself. This book is a call to the people of Alba and across the earth to move through the transformation process illustrated in the lives of Soillse and Firinn, and create heaven on earth.
