

## Mad Men: 2012 Wall Calendar

Mad Men Wall Calendar: Based on the three-time Emmy Award-winner for Outstanding Drama Series, Mad Men 2012 Wall Calendar features striking images of the sexiest, smartest, most addictive show on television. Set in 1960s New York, AMC's stylized and provocative drama follows the lives of the ruthlessly competitive men and women of Madison Avenue advertising, an ego-driven world where key players make an art of the sell. The show's mid-century modern aesthetic has had an enormous effect on today's sartorial fashions and home decor. This collectible calendar features dramatic images of the cast, including Jon Hamm, January Jones, Elisabeth Moss, Christina Hendricks, Vincent Kartheiser, and John Slattery from the series fourth season.
