

An American Requiem: God, My Father, and the War That Came Between Us

An American Requiem is the story of one mans coming of age. But more than that, it is a coming to terms with the conflicts that disrupted many families, inflicting personal wounds that were also social, political, and religious. Carroll grew up in a Catholic family that seemed blessed. His father had abandoned his own dream of becoming a priest to rise through the ranks of Hoovers FBI and then become one of the most powerful men in the Pentagon, the founder of the Defense Intelligence Agency. Young Jim lived the privileged life of a generals son, dating the daughter of a vice president and meeting the pope, all in the shadow of nuclear war, waiting for the red telephone to ring in his parents house. He worshiped his father until Martin Luther King, Jr., the civil rights movement, turmoil in the Catholic Church, and then Vietnam combined to outweigh the bond between father and son. These were issues on which they would never agree. Only after Carroll left the priesthood to become a writer and husband with children of his own did he come to understand fully the struggles his father had faced. In this work of nonfiction, the best-selling novelist draws on the skills he honed with nine much-admired novels to tell the story he was, literally, born to tell. An American Requiem is a benediction on his fathers life, his familys struggles, and the legacies of an entire generation.

I finally finished my father-in-laws Vietnam reading list he gave me with An American Requiem: God, My Father, and the War that Came Between Us by JamesAn American Requiem: God, My Father, and the War That Came Between Us.
