

# Becoming Beyoncé: The Untold Story

A Billboard Must-Read Fall 2015 Music Book The first comprehensive biography ever published about Americas favorite living pop icon, Beyoncé, from New York Times bestselling biographer J. Randy Taraborrelli. Beyoncé Knowles is a woman who began her career at the age of eight performing in pageant shows and talent contests, honing her craft through her teenage years until, at the age of 16, she had her first number one record with Destinys Child. That hit-making trio launched Beyonces successful solo career, catapulting her, as of 2014, to #1 on Forbes annual list of most wealthy celebrities--the same year she made the cover of Time. BECOMING BEYONCE is not only the story of struggle, sacrifice, and what it takes to make it in the cut-throat record industry, its the story of the great rewards of such success and the devastating toll it often takes on the human spirit.
