But Enough About Me: How a Small-Town Girl Went from Shag Carpet to the Red Carpet

New Jersey in the 1980s had everything Jancee Dunn wanted: trips down the shore, Bruce Springsteen, a tantalizing array of malls. To music lover Jancee, New York City was a foreign country. So it was with bleak expectations that she submitted her resume to Rolling Stone magazine. And before she knew it, she was backstage and behind the scenes with the most famous people in the worldhiking in Canada with Brad Pitt, snacking on Velveeta with Dolly Parton, dancing drunkenly onstage with the Beastie Boystrading her good-girl suburban past for late nights, hipster guys, and the booze-soaked rock n roll life. Riotously funny and tremendously touching, But Enough About Me is the amazing true story of an outsider who couldnt quite bring herself to become an insider.
