

Taken by the Alpha Wolf (Draicon Werewolves series)

From the moment he saw the pale-haired beauty, Draicon werewolf Etienne Robichaux vowed to claim Cindy Parker as his mate. Nothing will stand in his way. After learning she's targeted by a Columbian drug mob, the former Navy SEAL will do everything in his power to protect her. His touch ignites her passion and his tender concern touches her soul. But Cindy has a deadly secret she hides from Etienne, one that not only risks losing her heart to handsome shifter, but her very life.

The Draicon had taken her into their pack when her own family had been destroyed by the Morphs. But Katia had never . Shelves: novella, paranormal-romance, tstl, harlequin-style, series.
