

The Little Dictionary of Fashion: A Guide to Dress Sense for Every Woman

Much has been written about fashion, in all its aspects, but I do not think any couturier has ever before attempted to compile a dictionary on the subject. From the little dictionary of fashion Christian Dior reveals the secrets of style in this charming handbook that no woman should be without. An indispensable guide that covers everything from what to wear to a wedding and how to tie a scarf to how to walk with grace, *The Little Dictionary of Fashion* is full of timeless tips. From afternoon frocks and accessories to traveling and tweed, Dior's expertise ensures every girl will know the three fundamentals of fashion: simplicity, grooming, and good taste. Published for the Victoria and Albert Museums Golden Age of Couture exhibition celebrating the 50th anniversary of Dior's New Look and illustrated with delightful photographs and drawings, this handbag-sized classic is the perfect gift for style-conscious women. EXHIBITION SCHEDULE: Victoria and Albert Museum, London, September 22, 2007-January 6, 2008
