

# Help Your Kids with Study Skills

Help Your Kids with Study Skills is a unique step-by-step visual guide with invaluable advice on how to support your child's classwork, homework, and revision, with effective study methods that suit a range of learning styles for the third grade level and beyond. From exploring your child's preferred learning approach to using mind maps, flow charts, and mnemonic devices to handling test preparation and exam-day anxiety, this guide can help you place your child on the road to success. Jargon-free text and crystal-clear visual breakdowns help kids get their heads around tricky subjects, and a section covering math, science, history, geography, and other core areas provides subject-specific tips. If you are a confused parent with a frustrated child who is struggling in the classroom, this latest book in DK's best-selling series can give you the tools you need to help them get the most out of school. Series Overview: DK's bestselling Help Your Kids With series contains crystal-clear visual breakdowns of important subjects. Simple graphics and jargon-free text are key to making this series a user-friendly resource for frustrated parents who want to help their children get the most out of school.
