

## Latinos in the Arts (A to Z of Latino Americans)

Latinos in the Arts traces the accomplishments of 178 performing and visual artists. Whether an individual was born in the United States or emigrated from such countries as Mexico, Cuba, Spain, or numerous other Central and South American nations, each Latino profiled has made significant contributions to art in the United States. themes, such as religious imagery and the struggle for social justice, often appear and reappear in these artists creative works. A bibliography directs the reader to sources for further information about Latino Americans and the arts. One subject index divides entries by area of expertise, such as cartoonist and printmaker. Additional indexes also organize subjects by the decade of their birth and by their ethnicity or country of origin. Many black-and-white photographs of the artists, often in the midst of their craft, enhance the text throughout this insightful volume.
