

Concordia: The Lutheran Confessions -- A Readers Edition of the Book of Concord

The most comprehensive edition of the Lutheran Confessions in English. It features period woodcuts and paintings, along with helpful introductions, annotations, notes, glossaries and a variety of indices. A timeline of the period and daily reading guide are included as well. This edition is a translation based on the actual text contained in the authoritative editions of the Book of Concord, using either the German or the Latin text, unlike other English translations which are based on reconstructed texts, but not necessarily those that are the Lutheran Church's approved texts of their confessional documents. It is designed for the reader interested in understanding in depth what the beliefs, teachings and confession of the Lutheran Church are.
