

Curious George Visits the Dentist

Curious George bites into a shiny apple made of wax and his tooth begins to hurt. When George shows his wiggly tooth to the man with the yellow hat, he takes George to the dentist. It's his first time, and George is nervous, but he overcomes his fear and learns about better dental hygiene with a little good-natured mayhem on the side! With art in the style of H. A. Rey, this engaging story will show young readers that there is nothing scary about wobbly teeth and that a visit to the dentist can actually be fun! Includes activities and information about healthy teeth, plus a sheet of stickers to celebrate good brushing habits or a successful dentist visit.
