

Not Quite Dating (Not Quite series Book 1)

From New York Times, USA Today, and WSJ bestselling author Catherine Bybee comes the first novel in the delicious Not Quite series. Waitress and single mom Jessica Jessie Mann is practical to a fault. Even if she had time to date, which she doesn't, she'd be determined to provide her son with a more secure upbringing than the one she had and that would mean a husband with big bucks. When Jack Morrison, a sexy-as-sin, seemingly broke customer with a cowboy hat and a seductive grin tries to flirt with her, she shoots him down. She doubts a carefree dreamer like Jack can provide the financial stability she needs. Yet with Christmas just weeks away, and Jessie not wanting to spend it alone, the charming Texan is proving hard to resist. As the heir to the Morrison luxury hotel empire, Jack is used to being fawned over. But Jack needs someone who will fall in love with him, not his wealth. He sets his sights on Jessie, though her hardened heart just might get in the way. To be sure, he conceals his true identity and offers to help Jessie find the rich husband she seeks. But Jack's daring charade may rob him of the holiday wish he wants most of all.
