

Little Lord Fauntleroy (Dover Childrens Evergreen Classics)

A seven-year-old boy is transported from the mean streets of nineteenth-century New York to the splendor of his grandfathers English manor in this beloved classic of childrens literature. Young Cedric is astonished to find himself in possession of the title of Lord Fauntleroy and dismayed at his separation from his adored mother during the schooling for his new position. The Earl of Dorincourt, Cedrics crotchety grandfather, intends to instruct Cedric in the manners of the peerage; as it happens, the child teaches the man some valuable lessons about the true meaning of nobility. Written by the author of *A Little Princess* and *The Secret Garden*, *Little Lord Fauntleroy* has enchanted generations of readers. Its conviction that nothing in the world is as strong as a kind heart has made the lovable lordlings name synonymous with his gentle sincerity and tenderness. Compellingly readable. Horn Book.
