

Tangled Vines: An Australian Rural Romance

This charming Australian rural romance will remind you of the true meaning of the holiday spirit and the power of love. Kyle Davis doesn't do Christmas since he lost his whole family in the Boxing Day tsunami last decade. His idea of celebrating is going to his Margaret River property and cuddling up with his liquor cabinet. So finding Jordan Hastings in his shower is unacceptable - no matter how his body responds to her, a relationship is not on his holiday wish list. After being betrayed by the man she thought loved her, winemaker Jordan has taken over her father's caretaker position - and a little bit more - at the rural vineyard. She's trying to get her career on track by bringing the neglected grapes on the property back to life. Handsome Kyle is hard to resist, especially after they grow closer and she learns of his tragic past. But falling for a man who controls her employment is not on the table. Yet the more time they spend together, the more it appears that taking another risk on living and loving could be the best Christmas gift after all. Sensuality Level: Sensual
