In the midst of this tumultuous social situation is placed our heroine, Romola. The daughter of a scholar, Romola herself is very well educated for a woman of her time. This novel follows Romola through six complex post-de’Medici years of Florentine politics, further inflamed by the preachings of Savonarola, a Dominican friar.” Care ROMOLA is one of the most profound and stirring historical novels of all time. Presented in a beautiful edition specially designed for kindle, this is George Eliot’s masterpiece which will stay with you forever.
