

Sensual Pleasures (Marshall health guides)

A comprehensive guide to sexuality from a feminine point of view. The author challenges the myths that pre-teens and post-menopausal women are not sexual beings, and explores issues including how upbringing, past relationships and cultural norms affect women's ability to sustain relationships.

Dont just stroke the obvious stuff. By exploring every inch of her body from head to toe, youll be able to tap the sort of pleasure she never even knew existed. Editorial Reviews. About the Author.
