

Fools Rush In (Weddings by Bella Book #1): A Novel

Ever wonder how Italian sounds with a Southern drawl? Bella Rossi's life is just starting to get interesting. When her Italian-turned-Texan parents hand over the family wedding-planning business, Bella quickly books a Boot-Scotin wedding that would make any Texan proud. There's only one catch--she doesn't know a thing about country music. Where will she find a deejay on such short notice who knows his Alan Jackson from his George Strait? And will Bella ever get to plan her own wedding? Fun, fresh, and full of surprises, this flavorful combination of Italian and Tex-Mex highlights the hilarity that ensues when cultures clash. I fell in love with the Rossi clan, who feel as passionately about their pizza as Texans do about chili. Add a hunky cowboy with a slow Southern drawl, and you've got a recipe for one terrific story.--Virginia Smith, author, *Stuck in the Middle* A charming tale about stumbling upon love and finding a bit of your true self along life's journey. This fun read makes you grateful for the truly important things in life.--Megan DiMaria, author, *Searching for Spice and Out of Her Hands* Janice Thompson is a seasoned romance author and native Texan. An experienced wedding coordinator herself, Thompson brings alive in her books the everyday drama and humor of getting married. She lives in Texas.
