

# Forgiving the Dead Man Walking: Only One Woman Can Tell the Entire Story

It was just another time of enjoying milkshakes and small talk. Neither Debbie Cuevas nor her boyfriend, Mark Brewster, gave much thought to the white pickup truck that had pulled up beside them on the riverfront. Until ... a revolver thrust through the drivers window ... a hand jerked Debbies head back and a voice said, Dont do anything stupid ... and a quiet Friday evening abruptly became a nightmare. For the first time, here is the untold other half of Dead Man Walking, the movie that depicted killer Robert Willies death-row relationship with spiritual advisor Helen Prejean. Now the woman whose testimony helped send Willie to the electric chair tells her side of the story--the side America hasnt heard. In gripping detail, Debbie Morris--formerly Debbie Cuevas--recounts her hours of terror ... and her years of walking an agonizing road back to wholeness. More than a riveting narrative, here is an incredible tale of courage, faith, and forgiveness. In a world where all of us struggle sooner or later with unforgiveness, Debbie Morris is a living testimony to the grace we long for: grace that shines more brightly than we dare believe, bright enough to triumph over the darkest evil.
