

Frosted Shadow, A Toni Diamond Mystery: A Romantic Comedy Mystery (Toni Diamond Mysteries) (Volume 1)

There's nothing pretty about murder. Meet Toni Diamond, make-up artist to middle America. She's also got a nose for trouble and a passion for solving mysteries. Imagine Columbo in a lavender suit. She never met a woman who wouldn't look better with a little help from the Lady Bianca line of cosmetics. But don't be fooled by appearances. Underneath the fake diamonds and the big hair is a sharp brain and a keen eye that sees the details as well as the funny side of life. When a Lady Bianca sales rep is murdered at the annual convention in Dallas, Toni is the one who notices things that some people, like sexy Detective Luke Marciano, might easily miss. Only someone who understands as much about how to make appearances deceiving could see into the mind of this killer -- a murderer who wants to give Toni a permanent makeover. Into a dead woman.
