

One extra curvy blogger. One extra feisty Army Ranger. One chance at redemption. Catherine Celli is a military wife, an Army-spouse-lifestyle blogger, and a full-figured woman whose world comes crashing down when it's announced that her husband is MIA. She's forced to do the only thing she can: cling to hope. Master Sergeant Ronaldo Celli is one hell of a soldier, one hell of a fighter. He never gives up on making it home to his wife. But when he finally returns, neither of them is the same. For weeks, all they had was hope. Now that they have each other again, they find that hope is still required, because all wounds need time to heal.
