

Success: Learn the Secrets to Building Wealth and Success in Your Life by Copying the Habits of the Super Rich

Get on the fast track to financial success with these proven strategies. The current level of poverty in America has record numbers of Americans struggling to feed and house their families, while the ranks of the wealthy explode in numbers. Seem strange? According to the U.S. Census Bureau and reported by the Associated Press, a record number of Americans nearly 1 in 2 have fallen into poverty or are scraping by on earnings that classify them as low income. In some cities, up to 25% of the population require food assistance, and for 62% of the population, housing costs used up a third of their income. But with all this talk of poverty in America, what scares me even more is the old Social Security Administration statistic that claims 97% of retirees will depend on Social Security or family assistance to get by. We live in the richest nation on earth. What gives? Do you think it is sad for people to struggle their entire working life just to get by, only to retire into guaranteed poverty? I know I do. And the reason I feel this way is because we all have so much potential to do better. As you will see in this book of personal success and building wealth, you no longer have to accept mediocrity and low paying work. There is a solution. So, whether you are unemployed, underemployed, flat broke, or just tired of the rat race, there is a way out. Success leaves clues that we can follow like a well marked trail. Using the clues left by the wealthy people we emulate, we can study and copy their strategies and tactics to create wealth for ourselves. It is my hope that the wealth producing ideas and tactics revealed in this exclusive Amazon Kindle eBook will inspire you to take action to beat the odds and achieve financial success for yourself and your family.
