

# The Letters and Diaries of John Henry Newman: Volume VIII: Tract 90 and the Jerusalem Bishopric, January: 1841-April 1842 (Newman Letters & Diaries)

John Henry Newman's influence on both the restoration of Roman Catholicism in England and the advance of Catholic ideas in the Church of England was profound. Volume VIII of the Letters and Diaries covers a turbulent period in his life with the publication of his Tract 90, his opposition to the establishment of the joint Anglo-Prussian Bishopric at Jerusalem, against a background of continuing acrimony in University affairs.
