

John Sloanes Country Seasons 2016 Deluxe Wall Calendar

At once familiar and idyllic, John Sloanes paintings welcome us home, yet take on an ethereal quality that isn't found in our everyday world. It is this combination of the real and ideal that makes these paintings so mesmerizing and the places they depict so inviting. John Sloanes twelve new paintings in the thirtieth anniversary edition of his wall calendar beautifully continue his legacy as a master artist who achieves an unprecedented level of detail and an uncommon sense of time and place.
