

The Arrangements- A Cozy Mystery Box Set: The Flower Shop Mystery Series (Books 1-3)

Pushing Petals Can Be Murder... 3 books. 600+ pages of Laughs, Mystery and Romance. 25% off the cover price. The Final Arrangement The Vulture is dead. The body of Quincy McKays nemesis and biggest competitor in the floral business has just been discovered in a casket at the mortuary, complete with flowers on the lid.

Derrick Gibbons, aka The Vulture, stole all of Quincys funeral business, and now shes on a mission to get it back. But theres a problem--Quincy is now the main suspect in The Vultures murder. Armed with only her Zombie delivery van, good intentions, and the business card of a handsome cop named Alex, she must find the killer, save the flower shop, and keep from ending up in the next casket. If she can dodge burning bushes, the plague of a polygamist ex, and her mothers Mormon Mafia Spy Network, her life with Alex and her shop could become the perfect arrangement. Deadly Arrangements All florist Quincy McKay wants is success in business, a happy family and the perfect romance with Alex Cooper, the hottest cop in the state. Not necessarily in that order, of course. Is that so much to ask? The trouble is, between Alexs job and planning weddings, its getting harder and harder for Quincy and Alex to find any time to themselves. Every time the flames of passion ignite between them, someone or something shows up to fizzle the fire, including her meddling mother, her formerly absent father and even Elma, the handsiest waitress in the West. Wedded bliss is contagious in small town Hillside. Should be great news for Quincy, except that one groom is missing and another is the prime suspect. Hard for a florist to make a living that way, and even harder for her to stay out of the investigation, especially when the suspect is her sidekick, K.C.s fiance. Just when she thinks nothing else could go wrong, a ghost from Alexs past comes back to haunt them both, which could keep them apart

forever, if someone doesn't kill Quincy first. She's stumbled into the clues to solve the case of the missing groom and finds a corpse as well, proving that planning a wedding can literally be murder. A Christmas Arrangement Its Christmastime in Hillside, but there's a lack of holiday spirit for flower shop owner Quincy McKay. She's in charge of the town festival and her shop's open house, but her Santa's a no-show and her flower cooler is on the fritz. To make matters worse, she's learned her ex-husband isn't as ex as she'd thought. Just when she thought things couldn't get any worse, her boyfriend, hot cop Alex Cooper announces his parents are coming to town. Alex Cooper is the perfect man in Quincy's book, but unfortunately his mother thinks so too. And no woman is perfect enough for her perfect son, but especially not the weird flower shop girl who works too much, can't cook and who she catches kissing another man in the department store. And what's this she hears about Quincy being married? Eleanor Cooper must help her son dodge a bullet (and not the kind from his job) during the romantic holiday season to prevent him from being ensnared in a regrettable relationship. Quincy's dignity (of which lately she's in short supply), her reputation, and every business in town are riding upon the success of the city's Christmas celebration. If she can figure out a way to make it work despite failing equipment, helpers dropping out of the picture as fast as snowflakes in a blizzard, a troubling and inappropriate Secret Santa, and the possibility of arrest, she might win the respect of everyone in the town, but more importantly, Alex's parents. If Alex can survive his loving but meddling mother until Christmas, and keep Quincy safe from her crazy ex-husband, with a little help from the MLM (Mormon Ladies Mafia), and K.C. the she-Santa, he'll arrange for the perfect holiday for himself and the woman who has captured his heart.
