

Conquering Kings Heart (Kings of California Book 4)

For three years she'd haunted his dreams. And the memory of that heated anonymous night sent tycoon Jesse King back to Morgan Beach, California, determined to find her. He would have his mystery woman once more as King never lost. Bella Cruz was far from happy to see Jesse again. The millionaire had swept her off her feet, then left, and now he didn't even recognize her! And since he was her new landlord, she couldn't avoid him. Heaven help her if he discovered her identity, for she'd never be able to deny the power of King's seduction.
