

## Charms & Witchdemeanors (Wicked Witches of the Midwest Book 8)

Tillie Winchesters past is about to come back to haunt her, and what she sees as fun and games someone else sees as a recipe for murder. When a local woman is poisoned at Hemlock Coves senior center, Aunt Tillie is the prime suspect. Bay, Thistle and Clove dont believe their great-aunt is guilty although Thistle is fine if the police want to haul her away for a long weekend. Everyone in town is suspicious, but things spiral out of control when FBI Agent Landon Michaels boss believes he cant be objective where his girlfriends family is concerned and sends another agent to lead the investigation. The new agent is gung-ho, headstrong and making witchy enemies at every turn. When the investigation turns to the past instead of the present, Aunt Tillie refuses to talk and a long held Hemlock Cove secret risks being exposed. Bodies start piling up as old grudges overlap with new clues and the Winchesters are caught in the crossfire. Bay is determined to clear her great-aunts name but even she has her doubts when the victims ghost points a finger directly at Aunt Tillie. Its all hands on deck for an explosive showdown that proves some secrets are best left buried. Bay just hopes she wont end up buried, too.
