

## Loving Mindy (Lone Pine Lake series Book 3)

Previously released as part of the Stranded with a Hero anthology. Now available individually! He's the one who got away. She's the one he can't forget. Mindy McKenzie's day has gone from bad to worse. First, her ex whisked her kids away to attend his elopement, leaving her alone for the holidays. And then the man whose heart she broke years ago winds up on her doorstep, stranded. Josh Powers still has a body that can make her mouth water, but unfortunately, she's sure she missed her chance with him. Waiting out a storm with an attractive woman isn't normally a bad thing. But when it's the woman Josh Powers has never been able to get out of his head, it's pure torture. Especially since he knows she'll never feel the same way. Mindy is just as sexy and tempting as he remembers, but he can't risk his heart a second time.
