

A Matter of the Heart (Homecoming Heroes)

Operating on a sick little boy is Dr. Nora Blake's responsibility. Answering a determined reporter's questions about the surgery is not. Especially because Robert Dale is delving into her life, too. Nora has her share of secrets. She won't allow a newspaper to profit from the child's story or her own. Granted, the handsome reporter truly seems to care. About young, orphaned Ali. About her. And thanks to Rob's skills at digging deep, there is one question she just might answer with a joyful yes.
