

Longhaired Dachshunds were originally bred in Germany to hunt badgers. Initially they were a cross between the Smooth Dachshund and Spaniels, and thus tend to be a bit larger than the Smooth Dachshund. Low to the ground with a long, soft, shiny coat, the Longhaired Dachshund is bold, alert, and exceedingly affectionate. This Longhaired Dachshund wall calendar is devoted exclusively to the longhaired variety of this fabulous breed. Includes a free download of the DogDays™ app for the smartphone and tablet, which grants access to the world's most captivating dog photos and backgrounds, fun puzzles, and a calendar featuring your favorite furry friends. BrownTrout is committed to sustainability.
