

Donna and Connor at 228 Harpers Cove (Harpers Cove Series Book 3)

Donna and Connor Millican are good people. After all, they're providing religious counseling for young married couples. Nosy, drunken Gloria, the neighborhood snoop, isn't convinced. If its religious counseling, why do they have a lesbian couple as clients? Even though Donna and Connor haven't done anything to hurt anyone, they're still under suspicion. And with enough bourbon, Gloria intends to find out exactly what they're up to. They think they've done a good job of covering for themselves, their Master/slave relationship, partner swapping, and bondage and discipline, and as far as they know, no one suspects a thing. That's before they step out on a limb and take a chance, a chance that could help a lot of couples. And that picture - who would ever recognize the backs of their heads? Well, apparently they've underestimated Gloria. Come back to Harpers Cove and visit the kinkiest neighborhood in the country in this third installment in the series. It's a place where every neighbor thinks they're the kinkiest, and they may be right! **WARNING:** Strong, graphic, kinky sexual scenes including slave training, BDSM club scenes, bondage and discipline, punishment, and partner swapping. Not intended for readers under the age of 18.
