

Luthers Small Catechism, with Explanation

This version of Luthers Small Catechism features scripture references taken from the New International Version (NIV) of the Bible. Written by Martin Luther in 1529 in question and answer format, the Small Catechism explores the Six Chief Parts of Christian Doctrine: the Ten Commandments, the Apostles Creed, the Lords Prayer, the Sacrament of Holy Baptism, Confession, and the Sacrament of the Altar. Also included are daily prayers, a table of duties for Christians in their various callings in life, and a guide for Christians to use as they prepare to receive Holy Communion. Luther intended the catechism to be a prayer book for individuals and families and a powerful tool for the Christian life because it provides a brief, clear summary of God s Word on the essentials of the Christian faith. Additional reference material includes: books of the Bible; the creeds and confessions; an explanation of Luthers seal; an explanation of the church year; fifty terms relating to worship and Gods House; a brief history of the time between the testaments; an outline of Gods salvation plan; and fifty Christian symbols and their meanings. The explanation contained in this text was not written by Martin Luther. An explanation designed to help students understand and apply Luthers Small Catechism has accompanied editions of the Catechism since the early days of Lutheranism. The explanation is based upon and largely includes the work of Johann Konrad Dietrich, Carl Ferdinand Wilhelm Walther, Heinrich Christian Schwan, and the committee that prepared the synodical catechism of 1943.
