

Finally! Everything you need to know to become a remarkably successful hard money lender in real estate—by an acknowledged leader in the field. Are you looking for a lucrative career in hard money lending in real estate? Are you fed up investing in overpriced stocks or working for someone else? Have you considered entering the real estate field but don't want to be a landlord? Do you long for the financial rewards and independence that are the rewards of creating and managing your own successful real estate investment fund? Then the landmark new book, *Making the Yield: Real Estate Hard Money Lending Uncovered*, by Salvatore M. Buscemi is an absolute must read! In straightforward, inviting language, he tells you everything you need to know—from how to create the fund and attract qualified investors to how to select builders and others to lend to, choose sound investment properties, structure risk away from you and your investors, manage the fund, and time the closing of the fund to reap maximum profits for you and your investors. With the author's expert step-by-step guidance, you'll be able to establish your initial fund and begin to build a track record of success that will allow you to grow into the kind of confident, successful fund manager that investors search for and trust with their money.
