

Labour After Communism

The collapse of the Soviet Union led to a period of steep economic decline, followed by economic reform, soaring inflation, corruption and crime. Despite the fact that unions were part of the State and that membership was obligatory, incorporating 98 percent of the labor force, millions of workers were not paid their wages. Based upon an abundance of first-hand material, *Labour After Soviet Socialism* examines the complex interplay of history, ideology, leadership, state policy and economics, to explain the difficulty workers have encountered in defending their interests. David Mandel, labor scholar and activist, teaches political science at the University of Quebec, Montreal. He is co-founder of the School for Worker Democracy, which conducts rank-and-file labor education in Russia, Ukraine and Belarus.

And in later years, the variation of this latter objection took the form of stating: If the Communist Party was affiliated to the Labour Party, then the Labour Party

The Communist Action Party is a Syrian communist party active in the 1980s and early 1990s. The party, banned by the government of Syria since its establishment, was victim to a number of crackdowns, where 200 of its members were
