

Miracle On 5th Avenue (From Manhattan with Love, Book 3)

Sometimes love needs a Christmas Miracle. Hopeless romantic Eva Jordan loves everything about Christmas. She might be spending the holidays alone this year, but when she's given an opportunity to house-sit a spectacular penthouse on Fifth Avenue, she leaps at the chance. What better place to celebrate than in snow-kissed Manhattan? What she didn't expect was to find the penthouse still occupied by its gorgeous and mysterious owner. Bestselling crime writer Lucas Blade is having the nightmare before Christmas. With a deadline and the anniversary of his wife's death looming, he's isolated himself in his penthouse with only his grief for company. But when the blizzard of the century leaves Eva snowbound in his apartment, Lucas starts to open up to the magic she brings. This Christmas, is Lucas finally ready to trust that happily-ever-afters do exist?
