

Mrs Moneypenny: Survival in the City

Have you ever wondered what investment bankers, stockbrokers or fund managers actually do? This a book for everyone who works in the City as well as evryone who wonders how it works and what really goes on. In her original, outrageous and informative way, Mrs Moneypenny, financial journalist and City whiz extraordinaire, provides an insight into the Citys workings and blows apart any preconceptions you may have. Along the way youll discover how and why stocks and shares are traded, why everyone makes so much money, the real reasons women seem to do badly in the City, and much, much more.
