The tension of the courtroom and the fervor of the advocate pervaded his books, including *My Life in Court*, which made him nationally famous. It rose to the top of *The Times* best-seller list and logged 72 weeks as a sales leader. One critic praised it as entertaining and philosophically instructive, an unusual combination. The book included stories of court cases that Mr. Nizer had won, including the famous libel action that the writer Quentin Reynolds, with Mr. Nizer as his lawyer, brought successfully against the columnist Westbrook Pegler. The account of that case served as the basis of the 1963 Broadway play *A Case of Libel*.
