

Ninety days to financial fitness

First published in 1986, *Ninety Days to Financial Fitness* has been revised and updated to reflect the current state of the economy. Written for people earning from \$15,000 to \$60,000 a year who need help balancing their finances, this book offers a fast, flexible programme for achieving and maintaining financial stability. Opening with a quiz that provides a quick assessment of an individual's financial situation, the book continues with steps to take to relieve debt anxiety and model financial plans for singles, married couples, couples living together and parents.
