

Wizardology: 2008 Wall Calendar

For any apprentice determined to learn the secret art of wizardology, there could be no better teacher than Merlin himself. Originally discovered in 1588, the remarkable text *Wizardology: The Book of the Secrets of Merlin* by history's most respected wizard was revealed to the world for the very first time. This calendar, based on that whimsical book, includes such magical novelty elements as a world map showing locations of wizards around the globe, samples of a fairy flag, booklets explaining the proper use of spells, familiars, and potions, and removable fortune-telling cards. Aspiring wizards can tune in to the age-old wisdom of Merlin with this dazzling calendar of all things magical.
