

Pankauskis Trustees Guide

\$59 Trillion Inherited by 2030... Most of it in a trust. Are you ready? If you are a trustee or a beneficiary of a family trust, you need this book. Palm Beach trust guru John Pankauski the attorney the attorneys hire gives you the inside scoop on what it means to be a trustee and what you need to know if you're involved with a family trust. In this book, you will find: Individual trustees behaving badly and what not to do when serving as trustee Beneficiaries and their struggle with inherited wealth Duties and obligations of a good trustee How trustees are supposed to protect and work for their beneficiaries Why most individual trustees don't have the time or experience to manage money or administer a trust This is your one stop, insiders guide to how family money is managed and mis-managed for mis-fits, mistresses, second and third spouses, and adult children. If you are thinking about creating a trust, serving as a trustee, or are a beneficiary, this first-of-a-kind trustees book is full of revealing stories of blood, money, and the fight for wealthy.
