

# 2600 Phrases for Effective Performance Reviews: Ready-to-Use Words and Phrases That Really Get Results

Whether you're an HR professional or a manager, chances are there's one task you really dislike: giving performance reviews. Even if you know the basic points you want to get across, finding the right words and committing them to paper is about as much fun as a trip to the dentist. But this handy little book puts thousands of ready-to-use words, phrases, descriptions, and action items right at your fingertips. Paul Falcone covers the 25 most commonly rated performance factors, including productivity, time management, teamwork, and decision making, plus job-specific parameters that apply in sales, customer service, finance, and many other areas.

Not just for review time, the book will also be instrumental in creating job descriptions and development plans as well as for monitoring performance, progress, and problems year-round.
