

Alice, Lets Eat: Further Adventures of a Happy Eater

Trillin is our funniest food writer. He writes with charm, freedom, and a rare respect for language. *New York magazine* In this delightful and delicious book, Calvin Trillin, guided by an insatiable appetite, embarks on a hilarious odyssey in search of something decent to eat. Across time zones and cultures, and often with his wife, Alice, at his side, Trillin shares his triumphs in the art of culinary discovery, including Dungeness crabs in California, barbecued mutton in Kentucky, potato latkes in London, blaff doursins in Martinique, and a \$33 picnic on a no-frills flight to Miami. His eating companions include Fats Goldberg, the New York pizza baron and reformed blimp; William Edgett Smith, the man with the Naughahyde palate; and his six-year-old daughter, Sarah, who refuses to enter a Chinese restaurant unless she is carrying a bagel (just in case). And though Alice has a weird predilection for limiting our family to three meals a day, on the road she proves to be a serious eater despite seemingly uncontrollable attacks of moderation. *Alice, Let Eat* amply demonstrates why *The New Republic* called Calvin Trillin a classic American humorist. One of the most brilliant humorists of our times ... Trillin is guaranteed good reading. *Charleston Post and Courier* Read Trillin and laugh out loud. *Time*
