

Master Intuit QuickBooks Online: From Setup to Tax Time

Learn QuickBooks Online! As a business owner, you don't have time for trial-and-error, especially when it comes to your company's finances. Why not learn to use QBO correctly from the beginning? Learn to enter your sales income from Customers, specific to your business's daily workflow. Track your company's Expenses. Run reports to understand your business's growth or lack of it. You'll also learn all the most common errors people make, so that you don't make them, too. Whether you're new to QuickBooks Online or suspect you're not using it correctly, you'll learn all the basics (and a lot of tips & tricks) that will allow you to get the most out of your QBO subscription, and watch your company thrive. This book is a guide to all the fundamental tools on the menu. Screenshots, descriptions, and step-by-step instructions explain how to use the features to run your business. It also includes basic accounting principles every business owner needs to know in everyday English, so that QBO makes sense. Master QuickBooks Online also includes bonus material. The quizzes are carefully designed to make you think critically about the features. Additional Homework callouts encourage you to look at your QBO setup to make sure it's been done properly.
