

## Retiring for the GENIUS

A retirement plan should never leave you so confused that you're relegated to a state of paralysis. After all, who wants to feel like an idiot or a dummy? Introducing *Retiring for the GENIUS*, a modern-day blueprint on preparing for, and enjoying, your life in retirement. *Retiring for the GENIUS* was written specifically for those who: seek to spend between \$4,000 and \$10,000 per month in retirement; need to get their financial house in order; have a net worth (including their home) of between \$500,000 and \$2.5 million; worry about taxes, medical costs, and spending money in retirement; wonder whether their investments are properly positioned for retirement. Unlike retirement planning books that are crammed with academic facts, statistics, and charts, *Retiring for the GENIUS* is different. It's written in down-to-earth prose by a second-generation CERTIFIED FINANCIAL PLANNER professional who has spent more than two decades providing financial advice to people just like you. If now's the time to get your financial house in order, the whimsical, easy-to-read writing style in *Retiring for the GENIUS* will be a great companion for your retirement.
